Course Descriptions

Fast Start

Fast Start provides an immediate comfort level for new leaders and enables you to say, "I can do this!" Each program gives leaders information on planning and conducting their first meeting and even demonstrates a meeting you can use. [Cub Scout Fast Start](#), [Boy Scout Fast Start](#) and [Venturing Fast Start](#) are offered online.

Youth Protection Training

Youth Protection Training is required by the state for every registered adult leader in the Middle Tennessee Council. You have 90 days from the submission of your adult registration to participate in Youth Protection Training, and then you will need to renew the training every 2 years. Youth Protection Training is taken online.

This is Scouting

"This is Scouting" is an introductory session that highlights the values, aims, history, funding, and methods of Scouting. It addresses how these aims and methods are reached in an age-appropriate style within Cub Scouting, Boy Scouting, Varsity Scouting, and Venturing. Each registered leader will find this to be a valuable tool in understanding the basics of the Scouting program.

Leader Specific Training

The training provides the specialized knowledge a new leaders needs to assume a leadership role. Each course is designed for a specific leadership position and has been developed for the following positions and their assistants:

Tiger Cub Den Leaders; Cub Scout Den Leaders
Webelos Den Leaders; Cubmasters
Pack Committee Members
Scoutmasters; Troop Committee Members
Venturing Committee Members
Venturing Advisors

BALOO (Basic Adult Leader Outdoor Orientation)

This training will provide the necessary knowledge and skills for a pack to be able to go Family Camping in the Middle Tennessee Council. Each pack is required to have a BALOO trained individual on any family campout.

OWL - Outdoor Webelos Leader Training (formerly WLOE)

OWL is for all Webelos leaders. This training course covers the skills & resources needed to teach the outdoor activity badges and helps to provide good & safe outdoor experiences. Completion of this training is required before a Webelos den can go on a campout.

Introduction to Outdoor Leader Skills

Outdoor skills are critical to the success of the Scouting program, and Introduction to Outdoor Leader Skills will provide leaders with the basic outdoor skills information needed to start a program right. Introduction to Outdoor Leader Skills is the required outdoor training for all.

Wood Badge

Advanced training in leadership and team development, bringing together all programs - Cub Scouting, Boy Scouting, and Venturing. By pooling their ideas, sharing meaningful experiences, and learning from highly qualified instructors, participants will return to their home units with new skills and resources, greater confidence, and deeper dedication to deliver the values of Scouting.
