If you have any Scouting related event for your unit you want published, or any trainings, District events, or Council events that are not listed, but should be, please contact Joyce Wheaton at scouterjoyce63@gmail.com. I need the event, date, time, location, who the event is for, who is sponsoring the event, and contact for the sponsor. I will get it in the monthly calendar and posted to the google calendar for our District. Thanks!
